

Jet Airways commences services to Kuwait and Bahrain

Last month, Jet Airways became India's first private sector carrier to launch daily direct flights to Kuwait and Bahrain, thus further expanding its international network.

Jet Airways commenced its services to these two destinations with a daily direct flight on the Kochi-Kuwait-Kochi and Kochi-Bahrain-Kochi sectors. With these flights, Jet Airways makes its first international foray out of Kerala. The airline also commenced daily direct flights on the Mumbai-Bahrain-Mumbai and Delhi-Kuwait-Delhi sectors, using Boeing 737-800 aircraft.
